This file was compiled and contributed for use in the USGenWeb Archives by:
Recorded 1992 By Mardi Byrd Kelly <mardikelly@netzero.net>

Location: Located on Flattop Road, off Hwy. 43, southeast of Picayune, MS.
From I-59, take South Picayune Exit, go 2.5 miles east to Flattop Road.
Turn right, go 3 miles. Cemetery will be on the left.

Cemetery is clean and well-kept. Many of the markers are homemade and the inscriptions hand-written. All residents of this area were forced to move in the 1960's when NASA built their testing facility. Harmony Baptist Church was also required to move. However, burials are still allowed in the cemetery.
